BACKGROUND

MESS is an annual academic conference organized by Research Synergy Foundation (RSF). This year, Management Study Program, Faculty of Economics and Business, Universitas Islam Bandung initiates a joint program with RSF where the participants will not only join and get all the benefits from a conference, but also added values of global networking and mobility program.

This conference is also supported by Scholarvein, Reviewer Track, Research Synergy Institute, Research Synergy Press, Global Research Community, and F1000Research.

As a conference, 6th MESS aims to provide a dynamic platform for the advancement of knowledge, collaboration, and the exchange of ideas in the fields of Management, Education, and Social Science. . Through this event, we strive to foster academic excellence, cross-disciplinary discussions, and global research engagement.

The international academic conference will be held hybrid in Main Campus of Shinawatra University, Pathum Thani, Thailand, on October 8-9, 2025.

We are opening a special opportunity for our strategic partners and institutions to join and collaborate with us as a co-organizer or co-host of this hybrid international event.

GOALS

**Fostering Innovative Global Collaboration in Thailand:
An integrated International Conference with Student Mobility,
Research Partnerships, and Experiential Industry Visit Program**

- **Mobility Program:** Involving students to international business competition and campus visit.
- **Hybrid International Conference:** Providing a platform for research presentation, interdisciplinary discussions, and expert engagement.
- **Study Tour & Cultural Exchange:** Offering an opportunity to explore university facilities, attend guest lectures, and experience cultural diversity.
- **Industrial & Business Visit:** A field visit to local MSMEs, where participants will gain firsthand experience in business operations, entrepreneurship, and innovation strategies within the local economic landscape.
