INTRODUCTION

Conference Theme: “Integrating Sustainability into Management, Education, and Social Science for Global Impact”

MESS is an annual academic conference organized by Research Synergy Foundation (RSF). The conference aims to provide the participants with all the benefits from a conference, and also added values of global networking and mobility program.

This conference is also supported by Scholarvein, Reviewer Track, Research Synergy Institute, Research Synergy Press, Global Research Community, and F1000Research.

As a conference, 7th MESS aims to provide a dynamic platform for the advancement of knowledge, collaboration, and the exchange of ideas in the fields of business and administrative sciences. Through this event, we strive to foster academic excellence, cross-disciplinary discussions, and global research engagement in the fields of Management, Education, and Social Science.

The international academic conference will be held hybrid in Bangkok Campus of Shinawatra University, Thailand, on November 3, 2026.

We are opening a special opportunity for our strategic partners and institutions to join and collaborate with us as a co-organizer or co-host of this hybrid international event.
